RE: Sposato v. Matthew W. Ryan  
Civil Case No. 5:23-cv-364 (GTS-MJK)

### TO THE HONORABLE COURT:

I respectfully submit this letter motion as a pro se plaintiff in the above-captioned matter to request leave to file my memorandum of law in opposition to Defendant's cross-motion for summary judgment and in further support of my own motion for summary judgment, which I acknowledge was filed after the Court's deadline.

The delay resulted from my good faith filing of a Motion to Strike Defendant's summary judgment motion, which I believed, at the time, impacted the need to file an immediate response. Once that motion was withdrawn, I acted promptly to finalize and file my opposition and reply papers. The delay was not willful, and Defendant has not been prejudiced by the short extension.

Accordingly, I respectfully request that the Court grant this request in the interest of justice and permit the late submission of my memorandum.

Thank you for your consideration of this request.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Richard Sposato".
